STATEMENT REGARDING SEQUENCE LISTING
PURSUANT TO 37 CFR 1.82(e)

Asst. Commissioner For Patents
Washington, DC 20231

Sir:

Applicants hereby state that both the written sequence listing and the computer readable format sequence listing of the instant application are identical to those of parent application U.S. Serial No. 08/321,510, now U.S. Patent No. 5,824,784, issued October 12, 1994 from which the instant application claims priority. Applicants further state that the sequence listing of the instant application contains no new matter. Therefore, under the provisions of 37 CFR 1.821(e), Applicants hereby request the Patent Office to accept the sequence listing of the instant application as
